

Memorandum

To: PSOs and Clubs
From: Alpine Canada Alpine and Canadian Snowboard Federation
Date: January 10, 2003
Re: Sanctioning Snowboarding Activities

Please note that Alpine Canada Alpin **cannot** sanction any snowboarding events. Clubs are not required to create a separate snowboard club, they simply need to have a specific snowboard sanction. Clubs must also ensure that all snowboard participants are registered with their proper provincial snowboard association who will ensure registration with the Canadian Snowboard Federation.

To obtain sanctions and to register the snowboard members, please contact your provincial snowboard association. The contacts are as follows:
